Joe Robertson, Supervising Engineer

Dear Joe,

The Village of Caseyville would like to have the service at our new City Hall and Community Center supplied by Illinois Power. We were originally told that we would be serviced by them, and we began our project with their site lighting in our plans. Their lines are closer to us than UE, and they hold the franchise agreement with the Village.

As we are under construction, time is becoming critical. Your assistance in this matter would be greatly appreciated.

If I can be of any assistance, please feel free to call me at 344-1234 xt 26

Sincerely,

A handwritten signature in black ink, appearing to read 'RC', followed by a horizontal line extending to the right.

Illinois Power Co.  
Barb Hendrickson, Regional Manager

Dear Ms. Hendrickson,

The Village of Caseyville would like to have Illinois Power service our new Village Hall and Community Center located at 909 South Main (parcel # 03-07-304-029) with gas and electric. We realize that this is Ameren U.E.'s electric area.

We appreciate your consideration on this matter and look forward to working with you in the future. If you have any questions, please feel free to contact me at 344-1234 xt 26.

Sincerely,

Phil Carlton, Project Manager  
Village of Caseyville
